Instructions

1

The entrance to the holiday house is behind the main house (no. 96). To get there, turn left and then turn left again into the alley.

Can't find it? Then navigate to Albert Verweystraat 2A.

2

Turn left into the alley here and walk a long way to the end.

Instructions

3

This is the gate to the garden in which the holiday home is located, identified by number 96 above the door.

The key safe hangs to the left of the door. Code: 8967.

After opening the gate, immediately to the left is the entrance to the holiday house.

When you leave, pull the handle all the way up until you hear a click (use a lot of force) and then you can lock the door.
